Fax: (828) 456-8797

JMTE PERFORMED A TRAFFIC IMPACT ANALYSIS TO DETERMINE IMPACT OF ANTICIPATED TRAFFIC FROM THE PROPOSED DEVELOPMENT. THE ANALYSIS INCLUDED TURNING MOVEMENT COUNTS, TRIP GENERATION, TRIP DISTRIBUTION, QUEUE ANALYSIS, AND INTERSECTION CAPACITY. THE NEARBY MAJOR INTERSECTION OF HENDERSONVILLE ROAD, ALL SOULS CRESCENT, AND VANDERBILT ROAD WAS A KEY COMPONENT WITHIN THE ANALYSIS.
